Professional Summary

Hello, my name is Ebrahim Abdolalipour. I am a Software Engineer and hold a Master's degree in Artificial Intelligence. My professional journey began in 2005 with programming and gradually expanded into teaching, hardware and middleware design, web development, and leading technical teams. Since 2019, I have been actively involved in the field of artificial intelligence, taking on roles such as Technical Lead, Team Lead, Project Manager, and Product Manager. To date, I have contributed to 19 major projects, spanning from development to project management and product ownership.
